

CHANGES HAIRSTYLING AND CITY SPA

Helpful Reminders

- ◆ Please arrive **15 minutes prior** to scheduled appointment time and without any make up or your service times may have to be adjusted.
- ◆ Shampoo hair the day before. Day-old hair styles better!
- ◆ **Everyone** receiving hair and make up services should wear a button up shirt.
- ◆ It is important to schedule Trial and Wedding Day appointments **at least 12 weeks prior** to the wedding to ensure availability of services.
- ◆ To ensure desired hair and make up looks, **trial appointments for hair are required**, and for make up are highly suggested. (It's also a great idea to schedule bridal portraits on this day!)
- ◆ Remember to **bring any hair pieces you may be wearing** to your Trial appointment, as well as pictures and ideas!
- ◆ No changes may be made to the Bridal Contract **one week prior to the date of services**. Payment of all services is also due at this time.

Changes can also provide Off Property services on the day of your wedding!
